TENNESSEE VOLUNTEERS.

[To accompany bill H. R. No. 304.]

FEBRUARY 18, 1851.

Mr. JOHN A. KING, from the Committee on Military Affairs, made the following

REPORT:

The Committee on Military Affairs, to whom was referred the bill for the relief of certain Tennessee volunteers, report:

That the provisions of said bill are in accordance with the principles of the decision of the Secretary of the War Department in 1836, and of the Second Auditor of the Treasury on the 9th July, 1840; and as these volunteers were mounted, it is apparent, agreeably to the decisions already made and to the law of 1848, which made a similar provision for certain other companies of Tennessee volunteers called out at the same time by the order of General Wool, in 1836, to serve in the Cherokee country, that the companies which were called out under that order, and who have not already received the allowance of 40 cents per diem for the use and risk of their horses, and of 18 cents per day for forage, are entitled to, and should receive, the same allowance; and, adopting also the report made to the Senate of the United States January 4, 1848, in reference to companies for the same State similarly situated, they have reported a bill accordingly.
